CLUB REACHES MILESTONE

The GVR Hunting and Fishing Club has donated **\$45,000** to local non-profit organizations to further its MISSION. While scholarships dominate the recipients of our fund raising activities, the Club also supported things such as family fishing event, habitat improvement projects, historical preservation such as the Empire Ranch Foundation, shooting sports such as the local high school Naval JROTC Program and many other outdoor oriented activities. Scroll down and read about ALL the projects we have supported.

CLUB MISSION STATEMENT: The GVR Hunting and Fishing Club is a community of retired men and women who share a passion for hunting, fishing, outdoor recreation, and the conservation of natural and historical resources. The Club fosters fellowship, promotes ethical outdoor practices, and supports education related to fish, wildlife and environmental stewardship. Through charitable activities and fundraising, the Club provides college scholarships for local high school students and financial support to local nonprofit conservation and historical organizations, helping preserve the region's natural heritage while giving back to the Green Valley community.
